Why Join 7-Eleven Global Solution Center?

When you join us, you'll embrace ownership as teams within specific product areas take responsibility for end-to-end solution delivery, supporting local teams and integrating new digital assets. Challenge yourself by contributing to products deployed across our extensive network of convenience stores, processing over a billion transactions annually. Build solutions for scale, addressing the diverse needs of our 84,000+ stores in 19 countries. Experience growth through cross-functional learning, encouraged and applauded at 7-Eleven GSC. With our size, stability, and resources, you can navigate a rewarding career. Embody leadership and service as 7-Eleven GSC remains dedicated to meeting the needs of customers and communities.

Why We Exist, Our Purpose and Our Transformation?

7-Eleven is dedicated to being a customer-centric, digitally empowered organization that seamlessly integrates our physical stores with digital offerings. Our goal is to redefine convenience by consistently providing top-notch customer experiences and solutions in a rapidly evolving consumer landscape. Anticipating customer preferences, we create and implement platforms that empower customers to shop, pay, and access products and services according to their preferences. To achieve success, we are driving a cultural shift anchored in leadership principles, supported by the realignment of organizational resources and processes.

At 7-Eleven we are guided by our **Leadership Principles**. Each principle has a defined set of behaviours which help guide the 7-Eleven GSC team to Serve Customers and Support Stores.

1. Be Customer Obsessed
2. Be Courageous with Your Point of View
3. Challenge the Status Quo
4. Act Like an Entrepreneur
5. Have an "It Can Be Done" Attitude
6. Do the Right Thing
7. Be Accountable
